

In Southeast Texas, the name McCoy is synonymous with fine office furnishings and services. McCoy is a unique blend of people, products and services that add up to a thoroughly informed, comprehensively equipped source for workplace solutions. We understand that being the expert is simply not enough. We have the commitment to add value beyond our technical or functional expertise. We work with you as a business partner, to understand your business goals and processes in order to deliver a complete solution.

McCoy Workplace Solutions is distinguished in the Houston marketplace as the leading business resource for your work environment. We provide a full range of products and services that make us a turnkey solution for all your workplace needs. Your workplace is the stage for your business performance. It's layout, furnishings and technology should contribute to your success. We make it happen by combining people, products and services that address every phase in the life of your business.
